**Re:** MONSTER FOOD DRIVE

---

**Hey all!**

Once again we will be doing a food drive to benefit Garner area Ministries. The drive is important because many of our families use the pantry and it's a great opportunity to give back. We were able to raise 1300 lbs. last year, which was the 2nd most ever donated! (3900 lbs. in 3 years!) I would love to shatter that record. The Monster Food Drive will begin Monday, November 6th and end on November 20th.

How it works?

Boxes will be dropped off November 1st. Please encourage students to feed the monster.

Decorate and transform your box into a monster to be displayed during The Monster Parade at Fall Festival. We have extra boxes if classes want to build fancier monsters.

Let Mr. D know when your box needs to be emptied.

Please take pictures or videos to be shown on the Creech Road website.

Being sponsored by Helping Hands, S.W.A.G and PTA

We need:

Beans	Canned Fruits	Laundry detergent
Cereal	Canned Meats	Shampoo
Cookies	Pasta Sauces	Toothpaste
Soups	Pasta	Toothbrushes
Instant potatoes	Mac and Cheese	Deodorant
Rice	Baby Food
